PART III.

PROCEEDINGS OF THE BOARD OF REVENUE, TRIVANDRUM.

Sub:—Integration of services—Excise Department.

Read:—
1. G. P. SR3-1674|50|D. dated 29-3-1950.
2. G. P. SR3-1674|50|D. dated 29-3-1952.
3. G. P. SR3-1674|50|D. dated 21-6-1952.
4. G. P. S(9)12601|54|CS. dated 8-6-1954.

ORDER No. E. 12-77[illegible]|53 DATED 3-9-1954.

In G. P. read as paper 4 above Government have ordered that the integration of the Preventive Officers and Guards will be completed by the Board of Revenue as ordered in G. P. read as paper 3 above. The Board has accordingly prepared the appended gradation list of the Preventive Officers and Guards, which indicates the position of the Officers as on 1-4-1953. The following principles have been adopted in the preparation of the list.

The reorganisation of the Department was given effect to on 26-6-1952. The following permanent posts in the cadre of Preventive Officers and Guards have been sanctioned in the reorganised Department.

			Nos.
I Grade	Preventive Officers	Rs. 40	41
II	do.	Rs. 35	83
III	do.	Rs. 30	124
I Grade	Guards on	Rs. 25	171
II	do.	Rs. 22	342
III	do.	Rs. 20	514

The sanctioned posts under each grade as detailed above have been apportioned between the Travancore and Cochin branches in the proportion of the total number of permanent plus 50 per cent of the temporary posts under corresponding grades which existed on 1-1-19[illegible] in either branch.

Prior to the reorganisation of the Department there were 3 grades of Preventive Officers and 4 grades of Guards in Travancore and 2 grades of Preventive Officers and 3 grades of Guards in Cochin. In fixing the quota of places as between Travancore and Cochin, the places in the cadre of III grade Preventive Officers have been assigned only to the Travancore personnel in that grade, as there is no corresponding grade in

Cochin. The III and IV grade Guards of Travancore and the III grade of Cochin have been considered to be under the same group.

The quota of places assigned to Travancore and Cochin branches in the several grades on the above basis are given below.

	RATIO.			QUOTA.	
	Travancore	Cochin	No. of places sanctioned in the reorganisation	Travancore	Cochin
I Grade Preventive Officers	12	1	41	38	3
II Gr. do.	229	33	83	72	11
III Gr. do.	nil.	nil.	124	124	..
I Grade Guards	553	63	171	153	18
II Gr. do.	806	121	342	297	45
III Gr. do.	2537	388	514	446	68

The posts in the several grades thus allotted to either branch were filled up in accordance with the seniority list of officers in the respective braches as it stood on 1-7-1949 without disturbing the then exting seniority. Promotions or reversions ordered after 1-1949 have not been taken into account.

In preparing the integrated gradation list in each grade the pay of the officers concerned has been taken as the criterion for fixing relative seniority as in the case of higher grade officers of the Department. I grade Preventive Officers of Cochin who were drawing R 35 have been given seniority over the I grade Preventive Offices of Travancore on Rs. 28 plus 2 (temporary increase of pay), II grade Preventive Officers of Cochin on Rs. 30 over II grade Preventive Officers of Travancore on Rs. 25 plus 2 and III grade Preventive Officers of Travancore above the I grade Guards of Cochin. In Cochin there were 3 grades of Guards on Rs. 2 Rs. 22 and Rs. 20 and in Travancore 4 grades of Guards on basic pay of Rs. 20. The I grade Guards of Cochin have been given seniority over the I grade Guards of Travancore, the grade Guards of Cochin over the II grade Guards of Travancore and the III grade Guards of Cochin over the III grade and IV grade Guards of Travancore. The officiating III grade Guards of Cochin without any substantive place have been assigned rank below all the permanent III and IV grade Guards of Travancore and the S. P. T. IV grade Guards of Travancore below the officiating III grade Guards of Cochin.

After giving the full quota of permanent posts to either branch as stated above, on 6-6-1952 there were 14, I grade Guards of Travancore, 39 I grade Guards of Cochin and 304 defunct IV grade Guards of Travancore who have to be treated as supernumeraries. These supernumeraries have been posted

against temporary places in the respective grades in the Department.

The remaining temporary places and other duty vacancies in the several grades on 26-6-1952 were filled up by officiating hands in each grade, if available, on the basis of seniority list of officiating hands in each grade as on 1-7-1949, or by promotion of the senior most in the combined list in the lower grades subject to the qualifications prescribed for appointment to each grade.

The personnel transferred to the Central Excise and Salt Departments on a permanent basis on 1-4-1950 have not been included in the integrated list. The lien of persons who are permanent in the Excise Department but now working in other permanent Departments are also suspended.

A copy of the gradation list will be supplied to every Head of Office in the Excise Department for publication for the information of the subordinates under him. Aggrieved persons, if any, may present appeal petitions to the Board within a month of the publication of the list in the Gazette. Petitions questioning any of the accepted principles of integration which have been followed in preparing the lists will not be entertained.
